Dear Sir:

This will acknowledge receipt of your communication of July 24th and in reply to same I am please to advise that I will be perfectle willing to do all the advertising possible, and will handle the matter for you.

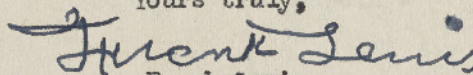

There may be some difficulty in getting the ~~the~~ park as the Boston Red Sox has absolute control of the park. If you have not received a favorable reply from the people here about the park my advice is then to write Billy Evans, business manager of the Boston Red Sox, and see what he has to say about it.

The date mentioned in your letter is quite satisfactory and Buck being a home town boy the people would turn out here to see him play.

Please let me hear from you at once regarding the use of the park, etc.

A night game here would draw the largest crowd. The lighting equipment is one of the best in the state and you will have no trouble about seeing the ball at night.

Yours truly,

Frank Lewis
